Youthful Hearts with so much to Give

The San Rafael Goldenaires Senior Citizens Organization applauds United Markets service with a personal touch to our members and their families. Like United Markets, many of our members are home grown and have raised their families here. Over the past 60 years, United Markets has been here to pay attention to our grocery needs. United Markets prices are fair and the weekly specials help make our retirement dollars go farther. The deli and excellent meat and fish counter allow us to buy just the portions we need. Many of our seniors rely on United for heart healthy fresh fruits and vegetables. Our positive shopping experiences are reflective of the neighborhood store we have relied on for many years.

San Rafael Goldenaires is a non-profit senior citizen organization in San Rafael, offering Youthful Hearts exercise classes, bocce ball teams, Bingo, crafts, painting, wood carving, Sunday afternoon dances, luncheons, workshops, excursions and tours, social events and much more to engage our members in active and productive lives. Once a year, San Rafael Goldenaires coordinates a craft fair to help support the many programs and services that are offered. The fair is held at the San Rafael Community Center at 618 B Street, San Rafael, where most of our activities take place. This year's Fair will be on **Saturday, November 2nd from 10:00am to 4:00pm with Santa stopping by from 12:00pm-2:00PM.** The generous support of United Markets of this major fund raiser, is deeply appreciated.
