MISSION

North Bay Children's Center provides comprehensive high-quality child care and early education programs fueled by our vision of excellence and a spirit of innovation. Their mission is to assure optimal development for every child we serve through:

-  Culturally rich programs that prepare children from diverse backgrounds to succeed socially, emotionally and academically.
-  Our Garden of Eatin' program that weaves a culture of health and wellness throughout the organization and serves as a model for other communities to emulate.
-  Strong family, school, and community partnerships that support a shared belief in each child's ability to succeed.

VISION

To be a recognized leader in early care and education that ensures all children in the North Bay – particularly our most vulnerable – have access to critical, high-quality early learning experiences that build the foundation for healthy productive lives.
