**SUNDAY, SEPTEMBER 15<sup>TH</sup>**  
A free community music event  
in the Gerstle Park Neighborhood **12-5PM**

The 5th annual San Rafael PorchFest is happening on Sunday, September 15th from 12 to 5pm. Join us for this free community music event in the beloved Gerstle Park neighborhood of San Rafael!

San Rafael PorchFest is an annual music event held on porches throughout the historic Gerstle Park Neighborhood that brings San Rafael and neighboring communities together for a day of fun, music, laughter and community building.

Hosted in Gerstle Park, one of San Rafael's oldest and most cherished neighborhoods, PorchFest draws thousands of attendees and dozens of different musical acts. People stroll from porch to porch, mingle with old friends and new, and listen to local Marin County artists. Attendees can fuel up and cool down with gourmet food trucks or bring a picnic lunch to enjoy while the kids play at Gerstle Park.

The musical team makes an effort to ensure a diverse set of artists play the event, including folk, Americana, gospel, soul, virtuosic instrumentalists, gypsy jazz, rock, psychedelic, indie, Latin, funk, family and teen bands.
