**BOOK
EXCHANGE
OF MARIN**

The Book Exchange of Marin, an all-volunteer community service organization, is dedicated to fostering a love of reading, promoting child literacy, and ensuring that all children have access to books.

The Book Exchange of Marin wrapped up the 2023-2024 school year with remarkable success, giving away approximately 20,000 books to over 2,000 students. They provided transportation for 24 field trips from Marin's most under-resourced schools to their Terra Linda facility, along with three in-school visits for kindergarteners, where each child selected a recyclable book bag of ten free books to take home. Additionally, they offer books at little to no cost to teachers, families, and nonprofit organizations.

With the strong support of the community, the Book Exchange of Marin has made a significant impact on raising literacy levels among these students, putting them on a path toward greater success in their lives.

The Book Exchange of Marin is more than just a provider of books—it's a beacon of hope for many children, giving them the tools they need to unlock their full potential. With the rising costs of books and transportation, the Book Exchange is seeking community support to continue their vital work. Contributions will help ensure that students have the resources they need to succeed.
