## Celebrate the Season of Giving

North Bay Children's Center designs and delivers high quality early care and education to more than 600 children and their families across 14 center sites. Headquartered in Novato, their mission is to assure optimal development for every child they serve through:

-  Culturally rich programs that prepare children from diverse backgrounds to succeed socially, emotionally and academically.
-  Their Garden of Eatin' program that weaves a culture of health and wellness throughout the organization and serves as a model for other communities to emulate.
-  Strong family, school, and community partnerships that support a shared belief in each child's ability to succeed.
