girls chorus
so much more than singing

Together in Song

The Marin Girls Chorus empowers girls through exceptional music education and the joy of collaborative singing. By creating an inclusive environment, they provide a stage for singers to build confidence, community, and a strong sense of self.

The Marin Girls Chorus seeks to aid in the nourishment of the whole child—the whole person—by empowering voices through music and song. Ensemble singing and the tradition and discipline of choral singing instills strength, collaboration, empathy, critical thinking and artistry.

The Marin Girls Chorus is honored to have been selected once again as one of Marin's best educational nonprofits. From retreats to master clinics, outreach concerts, community activities and more, it's never been a better time to be a part of the magic!
