### SEE'S® CANDIES FUNDRAISER BENEFITS

The mission of TeamWorks Art Mentoring Program is to encourage creative expression, self-discipline, and collaboration through visual arts learning for emerging young artists.

TeamWorks empowers students in juvenile detention and alternative education schools with high quality art classes, off-campus workshops, paid internships, exhibit opportunities, and community art projects.

Sequential, youth-driven mural arts curriculum helps students boost academic motivation, cultivate friendships, and develop pro-social skills as they produce unique murals from inception to completion.
