To Our San Rafael Patrons:  
**Business As Usual**

United Markets has been a proud part of the San Rafael community for 70 years. While the building we lease is now up for sale, we want to assure our customers that we have a long-term lease and plan to remain right here, continuing to serve you with the same dedication and care you've come to count on.

**Thank you for your continued support — we look forward to many more years together.**
