UNITED MARKETS CARES ABOUT OUR COMMUNITY

At United Markets, we believe in supporting the health and well-being of our community in every way we can. That's why we're spreading the word about the City of San Rafael's **SAFE** (Specialized Assistance For Everyone) Team, a vital program launched on March 29th, 2023, in partnership with Petaluma People Services Center.

The SAFE Team is here to provide compassionate, specialized assistance for those facing crises related to mental health, addiction, or homelessness. Staffed by an Emergency Medical Technician and a Crisis Intervention Specialist, the SAFE Team responds to calls involving people under the influence, in need of mental health treatment, or requiring shelter. They also

provide help for minor medical complaints that don't require emergency room care.

The SAFE Team operates daily from 8:00am to 8:00pm, serving our community 365 days a year. If you or someone you know needs support, call 415-458-SAFE (7233). By connecting people with the right resources, the SAFE Team helps ease the burden on police and fire departments, ensuring those in crisis receive timely and appropriate care.

United Markets is committed to a thriving, healthy community. By sharing this information, we hope to spread awareness of this valuable resource and remind everyone that help is available, right here in San Rafael.
