

LOCAL VENDOR SPOTLIGHT

PACIFIC COOKIE COMPANY

Since 1980, Larry and Shelly Pearson have been delighting Santa Cruz with Pacific Cookie Company. What started on Pacific Avenue quickly became a local favorite thanks to their dedication to affordable gourmet cookies made with quality ingredients and friendly, personal service. Soon after, their cookies began appearing in retailers like United Markets, bringing that fresh-baked goodness to even more cookie lovers.

For over 45 years, Pacific Cookie Company has focused on crafting cookies that taste like they just came out of a warm kitchen at home. Using sustainable, locally-sourced ingredients and careful baking techniques, they continue to create cookies that are naturally delicious and free from artificial colors, flavors, and preservatives. Over time, they have refined their recipes to balance taste and healthfulness, earning lifelong fans along the way.

Pacific Cookie Company continues to delight cookie lovers far beyond Santa Cruz! You can enjoy the same fresh, handmade cookies today by picking them up at United Markets, where quality and local flavor come together in every bite.
