A FOND FAREWELL

Dear United Markets Customers,

For more than 70 years, United Markets has been proud to serve our Marin County community. What began as a family business grew into something much greater because of the loyalty, trust, and friendships we've shared with generations of customers.

As we begin this next chapter and transition ownership to Mollie Stone's Markets, I want to personally thank you for your support over the years. It has been an honor to be part of your family traditions, celebrations, and everyday meals.

I am confident that Mollie Stone's shares our commitment to exceptional service, quality products, and strong community values. Their family-owned business has deep roots in the Bay Area, and I know they will continue to provide the care and personal touch that our customers have come to expect.

On behalf of my family and the entire United Markets team, thank you for allowing us to serve you. The relationships we've built over the years mean more than words can express, and I am deeply grateful for the memories we've created together.

Thank you for being part of the United Markets family.

With gratitude,

Kelly Smith
