

# Where do your nickels go?

## United Markets and MDA Shamrocks Join Forces to Help Save Lives

In support of the Muscular Dystrophy Association, United Markets will be helping to raise funds to transform the lives of children and adults with muscular dystrophy, ALS and related neuromuscular diseases during the 38th annual MDA Shamrocks program to benefit the Muscular Dystrophy Association (MDA).

From March 1st to March 31, 2020, when you stop into a United Markets location, they will happily offer any customer the chance to add an iconic paper Shamrock (pinup) to their purchases at checkout for just a \$1, \$5 or larger contribution.

The MDA Shamrocks program — the nation's largest St. Patrick's Day-themed fundraiser -benefits the organization's shared mission to fund groundbreaking research across diseases and provide families with the highest quality care from the best doctors in the country. Funds raised make MDA Summer Camp possible for children in the northern California area. MDA Summer Camp provides the opportunity for children to learn vital life skills, make life-long friendships and experience independence, at no cost to their families.

Recent major medical and scientific advancements including the development of eight new drugs that are now available treatment options, and the promise of more to come, make today the most unprecedented time in the history of neuromuscular disease research and care — made possible in part by the funds raised and support given over the years to the MDA Shamrocks program.

To learn more about the 2020 MDA Shamrocks program and how to get involved, visit [mda.org/shamrocks](https://mda.org/shamrocks).
